

Our Services

Our 45 comfortable rooms are equipped with private bathrooms, T.V and internet connection. Our private parking area is vast enough to host Pullman and cars for free long term parking for the whole period of Your stay. The beautiful park surrounding our building with its autumn colours and flowerbeds is an ideal place for your walks amidst the nature while our terrace welcomes the guests during the sunny periods of the year to enjoy freshness in the shade. Our internal parlours are large and spacious enough to become a welcoming ambiance where You can enjoy a coffee or sip a drink in company. Both our service staff and reception staff, are expert and dedicated enough to be at Your disposal 24 hours if ever You need guidance. Besides Italian language they speak English, German, Portuguese and French. We offer to/from transportation facilities for Fiumicino Leonardo Da Vinci International Airport, Ciampino Airport, Stazione termini(railway station), and Rome city Centre (service by payment only). Our house for holidays is provided with conference halls, out of which one seats 70 people, and are completely equipped for functions, conventions and meetings. In our restaurant it is possible to organize lunch and dinner on request. This house is provided with a WIFI facility in common areas and each room is provided with internet connection. The house can provide a computer for those who don't have one.
